

## **TANJA PERIC**

Born in Trieste (TS, Italy) on May, 29 1982.  
Nationality Italian and Slovenian.

## **EDUCATION**

*National scientific habilitation (Italy)* in Associate professor in Competition area 07/H1 (Veterinary Anatomy and Physiology) with validity of the qualification between 20/03/2018 and 20/03/2029.

*Scientific habilitation* in Docent (Assistant professor) in Life sciences awarded March 15, 2017 at the Univerza v Novi Gorici (Slovenia).

*PhD* in Veterinary Sciences (XXVI cycle, Competition area 07/H1, Scientific disciplinary area VET/02) awarded June 11, 2014 at the University of Bologna with a thesis entitled "Hair: a tool to evaluate the HPA axis activity" (supervisor prof. Eraldo Seren, cosupervisor prof. Alberto Prandi). Obtaining the additional title of *Doctor europeus*.

*Certificate* of competency on Laboratory animal sciences for researchers: category C (Responsible for directing and designing laboratory animals procedures) released by FELASA (Federation of European Laboratory Animal Science Association) on March 14, 2014.

*State examination* of competency to practice as an Agronomist and Doctor of Forestry (Section A) passed on June 24, 2010 at the University of Udine.

*Magister degree* in Nutrition, Breeding and Animal Welfare, awarded December 3<sup>rd</sup>, 2009 at the Faculty of Veterinary Medicine, University of Udine with a thesis entitled "Il cortisolo come indicatore di benessere in bovine da latte" (supervisor prof. Alberto Prandi, cosupervisor Mirco Corazzin) and a scoring of 110/110 cum laude.

*Degree* in Animal Science Curriculum management of animal resources in the rural and natural spaces, awarded February 23, 2006 at the Faculty of Veterinary Medicine, University of Udine with a thesis entitled "Risultati preliminari su dieta ed ecologia di *Passer hispaniolensis* sull'isola di Malta" (supervisor prof. Piero Susmel, cosupervisor Fabio Perco) and a scoring of 104/110.

## **EDUCATIONAL EXPERIENCE**

*November 2019* Participation in the refresher course *Open day on the welfare of experimental animals* organised by *School of Specialization in Breeding, Hygiene, Pathology of Aquatic Species and Control of Derived Products "Domenico Lanari"* of the University of Udine.

*May 2016* Winner of the scholarship to participate "ARIMNet2 Young Researchers Seminar – How to better involve end-users throughout the research process to foster innovation-driven research for a sustainable Mediterranean agriculture at the farm

	and local scales.” (action ERA-NET, Montpellier (FR), 28 May – 4 June 2016).
<i>April 2016 – May 2016</i>	Participation in ongoing professional development <i>Word, expression, microphone. Public speaking and formation of announcers</i> organized by ZSKP Gorica and CCCS “F. B. Sedej”.
<i>February 2015</i>	Participation in ongoing professional development <i>Responsible for the development, management and implementation of the self-test procedure based on the HACCP system in the food industry</i> (speaker dr. Barbara Moretti).
<i>January 2015</i>	Participation in the refresher course <i>Methods of agricultural chemical analysis and laboratory safety – modul Radiochemistry laboratories: risks and safety for users</i> organized by University of Udine (speakers dr. Faustino Bonutti, ing. Massimo Pedretti).
<i>March 2013</i>	Winner of the financial support for a post-graduate study period at universities and training institutions providing high-level training courses “ <i>S.H.A.R.M. - Supporting human assets in research and mobility</i> ” provided by <i>Consorzio per l'AREA di ricerca scientifica e tecnologica di Trieste</i> and <i>Fondo sociale Europeo in Friuli Venezia Giulia</i> . Use of this support at the <i>Centro Nacional de Investigaciones Oncologicas</i> (CNIO) of Madrid (ES) for the duration of 3 weeks, from 26 February to 15 March 2014 ( <i>Course of Laboratory Animal Science for researchers: category C of FELASA</i> ).
<i>March 2011 – April 2011</i>	Participation in training <i>Animal testing: the training of operators for the welfare of animals</i> organized by Emilia Romagna Regional Health Service, Local Health Unit of Modena, Department of Public Health.
<i>October 2010 – November 2010</i>	Participation in ongoing professional development <i>Farm animal welfare in farming</i> organized by the Autonomous Region Friuli Venezia Giulia, Corporate Health Services No. 4 "Medio Friuli", via Pozzuolo 330, Udine.
<i>December 2009</i>	Participation in the refresher course in <i>Improving reproductive efficiency in dairy cattle</i> held at the University of Udine.
<i>August 2005</i>	Participation to the Summer University courses in Bovec (Slovenia).
<i>September 2004 – January 2005</i>	Assignee of the scholarship <i>Socrates/Erasmus</i> at the Department of Agriculture, University of Malta. Under the supervision of Dr. George Attard I carried out the internship (12 ECTS) at the <i>BirdLife Malta</i> and the <i>National Museum of Natural History</i> in Mdina participating in the experimental patterns in ornithology and management of museum activities.

## **LANGUAGE SKILLS**

---

<i>Slovenian</i>	Fluency in written and spoken language (language mother).
<i>Italian</i>	Fluency in written and spoken language.
<i>English</i>	Very good knowledge of written and spoken.

## **INFORMATIC SKILLS**

---

Good knowledge of Windows OS, Microsoft Office (Word, Excel, PowerPoint), Internet Explorer and Google Chrome. Basic skills in technical drawing with Auto CAD. Good knowledge of the analytical data processing software RiaSmart (Software for immunoassay data - Canberra-Packard).

## **RESEARCH EXPERIENCE**

---

<i>Current situation (May 2023 – )</i>	Associate Professor for the competition sector "Veterinary anatomy and physiology" - scientific disciplinary sector VET/02 "Veterinary physiology" at the University of Udine.
<i>November 2020 -</i>	Coordinator of the Research group <i>Veterinary physiology and physiopathology of reproduction</i> of the Department of Agricultural, Food, Environmental and Animal Sciences (DI4A) at the University of Udine.
<i>January 2023 -</i>	Part of the working group in the project <i>CibiAmo – Alimentare il corpo e la mente</i> as part of inter-departmental collaboration of the University promoted and financed by the University of Udine. Scientific coordinator prof. Paolo Ceccon. Duration 48 months (January 2023 - December 2026).
<i>June 2020 -</i>	Part of the working group in the project "GenPRI - Miglioramento genetico della rimonta nella Pezzata Rossa Italiana per incrementare il benessere animale, la sostenibilità economica e ambientale nella zootecnia da latte – PSR 2014-2020 (Piano di Sviluppo Rurale) Misura 16.1.1 Seconda Fase" - Bando per l'accesso al tipo di intervento 16.1.1 II fase - Programma Di Sviluppo Rurale 2014-2020 della Regione Autonoma Friuli Venezia Giulia. Duration 30 months.
<i>May 2020 – May 2023</i>	Type B fixed-term researcher for the competition sector "Veterinary anatomy and physiology" - scientific disciplinary sector VET/02 "Veterinary physiology" at the University of Udine.
<i>January 2017 – May 2020</i>	ERA-Net SusAn (Sustainable Animal Production) call 2016 project <i>Ecolamb</i> funded by the EC (under Horizon 2020). Head of the Slovenian research group at the University of Nova Gorica.
<i>September 2016</i>	Winner of the scholarship <i>Staff_mobility_agreement_training_KA1-HE-1 Erasmus+</i> as visiting assistant professor at the Technische Universität Dresden (prof. Clemens Kirschbaum, Technische Universität Dresden, Germany) to share

information about the hair steroids evaluations applied on the animal sciences.

*September 2015*

Winner of the scholarship “Awards competitive funding to attend scientific conferences and workshops throughout the EU – COST ACTION FA1308 – *Dairy animal health and welfare*.” Partecipation at the First Meeting of Dairycare WG1: HPA Axis, Cortisol and Other Stress Biomarkers, Bern (Switzerland).

*May 2015*

Winner of the scholarship *Staff\_mobility\_agreement\_training\_KA1-HE-1 Erasmus+* at the İstanbul University (Turkey) to develop the collaboration between the University of Nova Gorica and the İstanbul University, in this case focusing mainly on the Veterinary medicine.

*March 2015*

Winner of the scholarship “Awards competitive funding to attend scientific conferences and workshops throughout the EU – COST ACTION FA1308 – *Dairy animal health and welfare*.” Partecipation at the Second DairyCare Conference, Cordoba (Spain).

*October – December 2013*

Winner of the scholarship post lauream for research within the Marco Polo Program at the University of Bologna as visiting PhD student at the Department of Clinical Veterinary Medicine and Animal Science (prof. Christopher Harold Knight, Faculty of Health and Medical Sciences, University of Copenhagen, Denmark).

*January 2010 – April 2013*

Winner of the scholarship established by LR 2/2006 and Rector Decree n.786 of 16.11.2009 for carrying out research relating to agriculture, agro-food and veterinary at the Department of Food Science, University of Udine (scientific advisor prof. Alberto Prandi). The research is focused on the RIA/ELISA of cortisol in the hair as a biomarker candidate.

*January 2013*

Collaborator in the preparation of the project *Valutazione della fertilità maschile nella specie bufalina* as part of Programmi di ricerca di Rilevante Interesse Nazionale (PRIN) 2012 in collaboration with Università degli Studi di Napoli Federico II (Research Unit Sezione di Fisiologia Veterinaria e Nutrizione – Dipartimento di Scienze degli Alimenti, Università degli Studi di Udine). Scientific coordinator prof. Alberto Prandi.

*August 2012*

Visiting PhD student at the Western College of Veterinary Medicine (prof. David Janz, Department of Veterinary Biomedical Sciences, University of Saskatchewan, Canada).

*January 2012*

Collaborator in the preparation of the project *Strategie per il miglioramento della fertilità maschile in specie stagionali allevate*

*in Italia Meridionale* as part of Programmi di ricerca di Rilevante Interesse Nazionale (PRIN) 2010–2011 in collaboration with Università degli Studi di Napoli Federico II (Research Unit Sezione di Fisiologia Veterinaria e Nutrizione – Dipartimento di Scienze degli Alimenti, Università degli Studi di Udine). Scientific coordinator prof. Alberto Prandi.

*August 2011*

Collaborator in the preparation of the industrial research project *Nutriheart* (Unità di ricerca Sezione di Fisiologia Veterinaria e Nutrizione – Dipartimento di Scienze degli Alimenti, Università degli Studi di Udine). Scientific coordinator prof. Alberto Prandi.

*July 2009 – September 2009*

Collaborator in the preparation of the Strategic project *Agrobioter* under the cross-border cooperation and european territorial cooperation *Interreg IIIA* Italy-Slovenia 2007-2013 (Lead Partner University of Udine). Scientific coordinator prof. Stefano Bovolenta.

## **WORK EXPERIENCE**

---

*Current situation  
(May 2023 – )*

Associate Professor for the competition sector "Veterinary anatomy and physiology" - scientific disciplinary sector VET/02 "Veterinary physiology" at the University of Udine.

*May 2020 – May 2023*

Type B fixed-term researcher for the competition sector "Veterinary anatomy and physiology" - scientific disciplinary sector VET/02 "Veterinary physiology" at the University of Udine.

*September 2017 – May 2020*

Assistant professor with the responsibility of the research unit (project *Ecolamb*) at the *Laboratory for environmental and life sciences, Univerza v Novi Gorici – Slovenija*.

*June 2014 – May 2020*

Scientific collaboration with the research group *Fisiologia Veterinaria – Dipartimento di Scienze AgroAlimentari, Ambientali e Animali, Università degli Studi di Udine*.

*October 2014 – September 2016*

Research assistant at the *Centre for biomedical sciences and engineering, Univerza v Novi Gorici – Slovenija*.

*January 2015 – May 2015*

Projectual collaboration with *Kmečka zveza* (Čedad/Cividale) in the standard project *FarmEat* under the cross-border cooperation and european territorial cooperation Italy-Slovenia 2007-2013 – text translation support.

*October 2013 – October 2014*

Projectual collaboration with *Kmečka zveza* (Čedad/Cividale) in the standard project *FarmEat* under the cross-border cooperation and european territorial cooperation Italy-Slovenia 2007-2013 – technical-scientific collaboration.

<i>August 2009 – September 2009</i>	Internship activities at the pasture complex (malga) Pian del Montasio under management of <i>Breeders Association of Friuli-Venezia Giulia</i> based in Codroipo participating in the livestock and dairy activities.
<i>March 2008 – December 2008</i>	Collaboration activities as a tutor for students of the Faculty of Veterinary Medicine, University of Udine.
<i>May 2006 – July 2006</i>	Internship activities at the Section Quality control of the establishment of Nestle Purina PetCare in Udine participating in experiments with Near Infrared Spectroscopy (NIRS).
<i>March 2006 – April 2006</i>	Internship activities at the Center for artificial insemination in Moruzzo of the <i>Breeders Association of Friuli-Venezia Giulia</i> based in Codroipo participating in the chain of production of bovine and equine seed.

## **INSTITUTIONAL ACTIVITY**

---

February 2022 - as of today Member of the Board of Professors (Council) for the PhD in Agricultural Science and Biotechnology of the University of Udine.

## **ENGAGEMENT IN COMMISSIONS**

---

President of the graduation commission: Gošar D. *ARSENIC IN NATURAL WATERS: HYDROGEOCHEMISTRY CHARACTERIZATION AND TOXICITY EFFECTS*. Master's degree in Environment, Faculty of Environment, University of Nova Gorica, AY 2018/2019.

Member of the evaluating commission for the scientific habilitation to Assistant researcher in the area of Sustainable agriculture of dr. Erika Jež at the University of Nova Gorica (Slovenia), AY 2019/2020.

Member of the evaluating commission for the research fellowship (12 months) at the University of Udine on the thematic “Messa a punto di criteri di valutazione clinici ed endocrini delle bovine donatrici e riceventi di embrioni” (Prot. N. 0006831 del 25/01/2021 dec. Rettorali 38/2021, Classif. III/13) SSD: VET/10, scientific responsible prof. Giuseppe Stradaioli. 3/3/2021

Member of the evaluating commission for the research fellowship (12 months) at the University of Udine on the thematic “Messa a punto di criteri di valutazione clinici ed endocrini delle bovine donatrici e riceventi di embrioni” (Prot. N. 0029719 del 12/03/2021 dec. Rettorali 155/2021, Classif. III/13) SSD: VET/10, scientific responsible prof. Giuseppe Stradaioli. 14/4/2021

Member of the evaluating commission for the research fellowship (12 months) at the University of Udine on the thematic “Messa a punto di criteri di valutazione clinici ed endocrini delle bovine donatrici e riceventi di embrioni” (Prot. N. 0024227 del 25/02/2021 dec. Rettorali 119/2021, Classif. III/13 and Prot. N. 0036523 del 14/04/2021 dec. Rettorali 228/2021, Classif. III/13) SSD: VET/10, scientific responsible prof. Giuseppe Stradaioli. 7/4/2021; 19/5/2021

Member of the evaluating commission for the research fellowship (12 months) at the University of Udine on the thematic “Impact of microplastics and nanoplastics on ruminant reproduction” (Prot. N. 0037849 del 11/04/2022 dec. Rettorali 345/2022, Classif. III/13 SSD: VET/10, scientific responsible prof. Giuseppe Stradaioli. 13/5/2022; 17/5/2022

Member of the selection board of candidates for the XXXVIII cycle of the PhD in Agricultural Sciences and Biotechnology at the University of Udine.

Member of the evaluating commission for the PhD in Veterinary Sciences - XXXV cycle at the University of Bologna – doctoral student dr. Nicola Ellero.

---

<b>ORGANIZATION/PARTECIPATION</b>	<b>AS</b>	<b>SPEAKER/MODERATOR</b>	<b>AT</b>
-----------------------------------	-----------	--------------------------	-----------

---

Moderator at round-table: *Science is cool!* (Scientific marathon of the University of Nova Gorica). European Researchers’ Night - Horizon 2020 - Research and Innovation Programme (project consortium including also the University of Nova Gorica). University of Nova Gorica, Nova Gorica, 29 September, 2017.

Invited speaker. *Collective initiatives for small farmers and diversification of production. The Farmeat project.* Workshop “Rural Development in Western Balkans countries and effective IPARD implementation”, Area Science Park, Trieste, Italy, 7-8 November, 2017.

Vice-president of the organizing committee of the *Sixth International Scientific Conference ‘JUNE 5th – WORLD ENVIRONMENT DAY’*, Bihać, Bosnia and Herzegovina, 18-19 June, 2018.

---

## **TEACHING**

---

Thematic seminar *I biomarker dello stress.* In the presence of Professor Alberto Prandi. Course of Ethology (Degree in Animal Health and Hygiene, University of Udine, AY 2010/2011).

Thematic seminar *Lo stress: percezione e biomarkers*. In the presence of Professor Alberto Prandi. Course of Special Veterinary Physiology (Degree in Nutrition and Animal Resources, University of Udine, AY 2011/2012).

Refresher course *Valutazione di sostanze steroidee in derivati tegumentari (matrice tricologica)*. In the presence of Professor Alberto Prandi. Ordine dei Veterinari di Mantova. April, 20 2012, Mantova, Italy.

Thematic seminar *Hair hormones in dairy cows*. In the presence of Professor Alberto Prandi. Course of Reproduction and Management of pets (I.C.) – Ethology (Degree in Animal Health and Hygiene, University of Udine, AY 2011/2012).

Teaching activities (April – May 2014) conferred by *Ad formandum impresa sociale - socialno podjetje* (based in Trieste) for the module of Rearing techniques (module duration 20 hours) during the course of General agronomy (Project code FP1353184006) held in Cividale.

Lecturer and mentor of the subject *Introduction to the Group project* (Degree in Environment, Faculty of Environment, University of Nova Gorica, AY 2014/2015).

Teaching activities (16<sup>th</sup> April 2014 – 2 hours: sensorial system – transduction) at the University of Udine – Degree in Nutrition and Animal Resources (LM – DM270) in the subject Neurophysiology and animal welfare [AG1024]. Course principal: prof. A. Prandi. AY 2014/2015.

Teaching activities (9<sup>th</sup> April 2015 – 2 hours: reproductive system, 16<sup>th</sup> April 2015 – 2 hours: reproductive system) at the University of Udine – Degree in Agricultural sciences (L – DM270) in the subject Animal production [AG0321]. Course principal: prof. A. Prandi. AY 2014/2015.

Teaching activities (April – May 2015) conferred by *Ad formandum impresa sociale - socialno podjetje* (based in Trieste) for the module of Rearing techniques (module duration 32 hours) during the course of General agronomy (Project code FP1450511003) held in Cividale.

Lecturer of the subject *Group project I* (Degree in Environment, Faculty of Environment, University of Nova Gorica, AY 2015/2016).

Lecturer of the subject *Ecophysiology* (Degree in Environment, Faculty of Environment, University of Nova Gorica, AY 2015/2016).

Teaching activities (26<sup>th</sup> October 2016 – 2 hours: Hair: a tool to evaluate the HPA axis activity) at the University of Udine – Degree in Animal breeding and welfare (LM – DM270) in the subject Neurophysiology and animal welfare [AG1024]. Course principal: prof. A. Prandi. AY 2016/2017.

Teaching activities (23<sup>rd</sup> March 2017 – 2 hours: visit to the farm Bernardis – Varmo (UD)) at the University of Udine – Degree in Agricultural Sciences (L2 - DM270) in the subject Animal productions [AG0321]. Course principal: prof. A. Prandi. AY 2016/2017.

Teaching activities (21<sup>st</sup> April 2017 – 2 hours: Reproduction system: structure and function) at the University of Udine – Degree in Agricultural Sciences (L2 - DM270) in the subject Animal productions [AG0321]. Course principal: prof. A. Prandi. AY 2016/2017.

Lecturer of the subject *Agriculture and environment* (Degree in Viticulture and Enology, School for Viticulture and Enology, University of Nova Gorica; Degree in Environment, Faculty of Environment, University of Nova Gorica, AY 2017/2018; 2018/2019; AA 2019/2020).

Lecturer of the subject *Ecotoxicology* (Degree in Environment, Faculty of Environment, University of Nova Gorica, AY 2017/2018; AY 2018/2019).

Teaching activities (in total 15 hours) at the University of Udine:

Master's Degree Course in Animal Breeding and Welfare (LM794 - D.M. 270/2004) in the subject Neurophysiology and Animal Welfare;

Degree in Agricultural Sciences (L720 - D.M. 270/2004) in the subject Animal productions;

Degree in Viticulture and enology (L803 - D.M. 270/2004) in the subject Consumption of wine: physiological and health aspects.

Master's Degree Course in Food science and technology in the subject Physiology of perception (LM730 - D.M. 270/2004).

Course principal: prof. A. Prandi. AY 2019/2020; AY 2020/2021; AY 2021/2022.

Lecturer of the subject *Laboratory of Veterinary Clinical Endocrinology* (3 ETC) at the University of Udine – Degree in Animal Husbandry and Health (L761 – D.M. 270/2004). AY 2020/2021; AY 2021/2022.

Lecturer of the subject *Anatomy and physiology of aquatic animals* (5 CFU) at the University of Udine – School of specialization in breeding, hygiene, pathology of aquatic species and control of derived products. AY 2022/2023.

Lecturer of the subject *Anatomy and Physiology (Animal production)* (4 CFU) at the University of Udine - Degree in Agricultural Sciences (L720 – D.M. 270/2004). AY 2022/2023.

### **COLLABORATION CONTRACTS - THIRD-PARTY CONTRACTS (THIRD MISSION)**

Centro Ricerche Produzioni Animali – CRPA S.p.A.: third-party contract (Prot. n. 0002985 del 14/12/2020 - [Classif. III/19]) for laboratory analysis of the cortisol and dehydroepiandrosterone contents in the pig bristles as part of the project EU-COMMISSION – TACKLING ANTIMICROBIAL RESISTANCE THROUGH IMPROVED LIVESTOCK HEALTH AND WELFARE - HEALTYLIVESTOCK 773436-2 (December 2020 - January 2022).

Istituto Zooprofilattico Sperimentale del Mezzogiorno – IZSM: collaboration contract signed on 30/3/2022 for study based on laboratory analyzes for the determination of the concentrations of progesterone and anti-GnRh antibodies in plasma/serum samples as well as cortisol in bristles as part of the project Valutazione dell'immunosterilizzazione specie-specifica per via orale per il controllo numerico della popolazione di cinghiali in Regione Campania (Evaluation of specie-specific immunosterilization by oral delivery to control the population of wild boar in the Campania Region (March 2022 - March 2023).

Università degli Studi di Napoli Federico II - Dipartimento di Medicina Veterinaria e Produzioni Animali: collaboration agreement for applied research activity signed on 2/11/2022 (CUP B11B20000640005) entitled "Agriculture 4.0: precision zootechnics through an integrated physiological - managerial approach" (November 2022 - October 2023).

**OTHER**

*17/12/2018 – 28/6/2019*

Supervisor and coordinator of the research activity in *Student Mobility for Studies Erasmus+* (6 months – Özge Özgenc – Ankara University, Turkey) at the University of Nova Gorica (Slovenia).

*1/11/2022 – currently*

Supervisor of the research activity of Dr. Isabella Pividori in the XXXVIII cycle of the PhD in Agricultural Sciences and Biotechnology at the University of Udine.
