

NAME SURNAME

Marco Zancani

CURRENT ROLE

Associate Professor

Personal information

Born in Roma, on 16th May 1965

Italian citizenship

📍: Udine, via dei pascoli, 87, 33100 Udine, Italy

✉: marco.zancani@uniud.it

☎ +39 0432 55 8778

Working experience

From 1st April 2007

UNIVERSITÀ DEGLI STUDI DI UDINE (Italy)

Professor of Plant Physiology, scientific sector BIO/04 (05/A – Plant Biology)

From September 1998 to September 1999: Research Fellow (CNR fellowship)

University of York (UK), Department of Biology, prof. Dale Sanders

From 21st November 1992 to 30th March 2007: Full-time Researcher

Università degli studi di Udine (Italy)

Researcher in Plant Physiology, scientific sector BIO/04

From 1st November 1989 to 31st October 1992: Research Fellow

Università degli studi di Udine (Italy)

Fellowship in Plant Physiology

Education and Training

16th March 1989

Università di Udine

Master Degree in Agricultural Science, cum laude

July 1983

Higher School: Technical Institute Marinoni, Udine

Degree in Surveyor

Personal skills and competences

Native language	Italian
English	Excellent level of oral and written comprehension and production.

Other information

Director of the "Ernesto Illy" international master's degree in Coffee Economics and Science (I and II level inter-university master's degree, in collaboration with the University of Trieste and illycaffè) (from 2023).

Coordinator of the Section of Biology and Microbiology of Food and Environment of Di4A.

Member of the Italian Society of Plant Biology (SIBV), of the European Federation of Plant Physiological Societies (FESPP), of the Japanese Society of Plant Physiology (JSPP) and of the Italian Group of Bioenergetics and Biomembranes (GIBB).

Editorial consultant for some international scientific journals of Plant Physiology.

Publications

Co-author of more than 43 scientific publications in indexed international journals (WoS and Scopus) (June 2023: 1460 citations, H index = 18).

Co-author of numerous communications at national and international congresses.

Editor of a Special Issue with Ian Max Møller (Aarhus University, Denmark) on the international journal *Mitochondrion*, titled "The Unique Properties of Plant Mitochondria Revisited" (2020).

Research activity

Head of 2 research groups in the field of Plant Physiology.

Participation in scientific Committees

Participation in the scientific committee for the organization of national GIBB (Udine, 2009; 2015) and international (Riva del Garda (TN), 2023) conferences.

Secretary/treasurer of the Italian Group of Bioenergetics and Biomembranes (GIBB) in 2010-2013 and from 2019.

Conferences

Participation in numerous national and international congresses. Speaker at 2 national scientific conferences.
