PERSONAL INFORMATION

Name and Surname ALBERTO PRANDI
Address VIA SONDRIO 2 a
Telephon +39 0432 558371-2
Fax +39 0432 558370
E-mail alberto.prandi@uniud.it

Nazionality Italian
Date of birth 22-12-1954

WORK EXPERIENCE

- 1981 - 1986 *From 1981 to 1986 he worked as a graduate at the Institute of Veterinary Physiology of the University of Bologna.*
- academic year 1985/86 *In the academic year 1985/86 he was appointed to teach the Course of General Special Veterinary Physiology and Biological Physics I and II at the Teramo Provincial University Consortium.*
- academic year 86/87, 87/88 e 88/89 *For the academic years 86/87 87/88 and 88/89 he was appointed to teach the course on the Physiology of Domestic Animals in the Degree Course in Animal Production at the Faculty of Agriculture of the University of Udine .*
- academic year 89-90 *As an expert he obtained in 1989, on behalf of the Ministry of Foreign Affairs, the six-month course on the Physiology of Domestic Animals at the Faculty of Animal Husbandry and Veterinary Medicine of the National Somali University in Mogadishu.*
- From 2/16/90 to 31/10/1991 *Since 16/2/90, following a public competition, he has served as a university researcher at the Institute of Animal Production of the Faculty of Agriculture of Udine.*
- From 01/11/1991 to 30/11/2000 *From 11/1/1991 to 11/30/2000, following a public competition, he served as Associate Professor of Veterinary Physiology at the Faculty of Veterinary Medicine of Udine.*
- From 1/11/2000 until today *Since 1/11/2000, following a public competition, he is a full professor of Veterinary Physiology. Professor of Physiology of fish species in the courses of the School of Specialization in Aquaculture of the Faculty of Veterinary Medicine of the University of Udine.*
- From 2007 until 2011 *Person in charge from 2007 to 2011 for the Faculty of Veterinary Medicine of Udine of practical scientific refresher courses for Afghan veterinarians, organized with the ITALFOR military command in the context of ITALFOR civil-military cooperation in Afghanistan.*
- Dal 2007 al 2011 *Person in charge for the Faculty of Veterinary Medicine since 2007 of developing courses in videoconferencing and designing the development of a technological platform dedicated to e-learning. He has also held training courses for the teaching staff in the production and commissioning of courses.*

Dal 2007 al 2010	Vice-Dean at the Faculty of Veterinary Medicine of the University of Udine in the three-year period 2007-2010.
Dal 1990 al 2012	Director of the Veterinary Physiology and Nutrition section of the Department of Food Sciences.
Dal 1990 al 2022	RSSP FOR THE ENDOCRINOLOGY LABORATORY of the Veterinary Physiology and Nutrition section of the Food Science Department.
Employer's name and address	Università degli studi di Udine
Tipo di azienda o settore	Ministry of Education, University and Research
Main duties and responsibilities	Professor
Kind of employment	Teaching and research

ISTRUZIONE E FORMAZIONE

25.3.1981

in Veterinary Medicine at the University of Parma on 25.3.1981 with 110/110 points, discussing the experimental thesis "Hormonal variations during luteolysis and oestrus of the cow".

28.4.1981

On 28.4.1981 he obtained the qualification to practice the free profession of veterinary surgeon.

Nome e tipo di istituto di istruzione o formazione

Università degli Studi di Parma

Principali materie / abilità professionali oggetto dello studio

Basic, characterizing and related subjects in Veterinary Sciences. Studies and research in the field of Veterinary Physiology

Qualifica conseguita

Doctor of Veterinary Medicine

PERSONAL SKILLS AND COMPETENCES

FIRST LANGUAGE

ITALIAN

SECOND LANGUAGE

ENGLISH

READING ABILITY

GOOD

WRITING SKILLS

GOOD

ORAL EXPRESSION SKILLS

GOOD

RELATIONAL SKILLS AND COMPETENCES

RELATIONAL SKILLS ACHIEVED AND DEVELOPED THROUGH CONTINUOUS CONTACT BOTH WITH OTHER RESEARCHERS IN THE VARIOUS PHASES OF PROJECT PLANNING AND IMPLEMENTATION, AND WITH STUDENTS DURING EXERCISES AND TUTORING FOR THE PREPARATION OF THE DEGREE THESIS

ABILITY TO CAPTURE THE TRUST AND SYMPATHY OF COLLEAGUES, AS WELL AS OF THE YOUNG PEOPLE ENTRUSTED TO HIS GUIDANCE FOR THE PREPARATION OF DEGREE THESES, TRANSMITTING THE SAME PASSION FOR RESEARCH

FLUID AND COMPETENT PRESENTATION OF THE LESSON TOPICS (TO STUDENTS AND GRADUATES, SUCH AS POSTGRADUATES), MAKING EVEN VERY COMPLEX BIOLOGICAL CONCEPTS ACCESSIBLE AND STIMULATING LEARNERS IN THEIR CURIOSITY

ORGANIZATIONAL SKILLS

June 2020 - July 2023 Part of the working group in the project "GenPRI - Genetic improvement of the comeback in the Italian Pezzata Rossa to increase animal welfare, economic and environmental sustainability in dairy livestock - PSR 2014-2020 (Rural Development Plan) Measure 16.1.1 Second Phase" - Call for Access to the Type of Intervention 16.1.1 II Phase - Rural Development Program 2014-2020 of the Autonomous Region of Friuli Venezia Giulia. Duration 30 months.

From 2014 to 2016 Coordinator of the OR2 research unit RI 2.1b: Characterization of nutraceutical substances and development of functional foods R2.1 Studies of specific bioactivity for pathologies related to food within the project:

NUTRIHEART - From nutrigenetics tonutraceutics: development of synergic and integrated actions for the development of tests, diets and foods able to improve the public well-being and prevent food related diseases.(MIUR)

Planning, organization, implementation and reporting of research projects.
Particular aptitude for setting up research plans, ability to critically elaborate results and prudent objectivity of conclusions.

Organization of conferences, study days and training courses for Italian veterinary surgeons and for veterinarians operating in developing countries. Sisvet 2004 Grado and Sisvet 2009 Udine

Participation in the 2000-2001-2003-2004 editions of "The WorldWide Teleconference H.323 for collaboration, conferencing and e-learning in research and education. Ohio State University"

Delegate of the Rector for the coordination of the Campus One project of the University of Udine (2001-2005).

In the period 2005-2007 he was scientific responsible for the Udine unit of the project:

INFLUENCE OF METABOLIC, HORMONAL AND GENETIC FACTORS IN POSTPARTUM OVARIAN ALTERATIONS IN DAIRY COW AND BUFFALO

In the period 1996-1998 he was scientific responsible for the Udine unit of the project:
ENDOCRINOLOGY OF THE REPRODUCTION OF AVIAN SPECIES WITH HIGH BIOLOGICAL
VALUE AND CORRELATIONS WITH ENVIRONMENTAL FACTORS

In the period 1995-1996 he was scientific responsible for the Udine unit of the project:
PHYSIOLOGY OF REPRODUCTION AND ANIMAL PRODUCTION

In the period 1994-1995 he was scientific responsible for the Udine unit of the project:
PHYSIOLOGY OF REPRODUCTION AND ANIMAL PRODUCTION

TECHNICAL SKILLS AND COMPETENCES

Excellent ability to use the most common word processing, presentation, image processing, e-mail management programs.

Developer of online teaching activity since 1995, developing and updating an e-learning platform to assist the study of students following Veterinary Physiology courses.

Developer of didactic activity through video conferencing.

Expert in the development of immunocompetitive assays of biological matrix from connective tissue in the liquid and solid and keratinized state.

SCIENTIFIC PUBLICATIONS FROM 1999 TO 2023-

1. Fusi J, Veronesi MC, Prandi A, Probo M, Faustini M, Peric T. Peripubertal Testosterone, 17 β -Estradiol and Progesterone Concentrations in Hair and Nails in Dobermann Dogs. *Animals (Basel)*. 2023 Jul 7;13(13):2241. doi: 10.3390/ani13132241.
2. Peric T., Ellero L., Comin A., Pividori I., Prandi A. 2023. Validation of an ELISA kit to measure allopregnanolone in human and equine hair. *Journal of veterinary diagnostic investigation*. 28: 10406387231171045.
3. Zoratti A., Corazzin M., Bodas R., Domínguez E., Geß A., Prandi A., Peric T. 2023. Wool cortisol concentrations trends in the lamb from birth to slaughter. *Small Ruminant Research* 224: 106988.
4. Cotticelli A., Navas L., Calabria A., Bifulco G., Campanile G., Peric T., Prandi A., D'Occhio M.J., Russo M. 2023. Incorporation of Testicular Ultrasonography and Hair Steroid Concentrations in Bull Breeding Soundness Evaluation. *Veterinary Sciences* 10: 373.
5. Peric, T., Mazzoni, C., Quai F., Cotticelli A., Pividori I., Corazzin M., Comin A., Bresciani C., Prandi A. 2023. Sow's pre- and post-delivery in different confinement systems evaluated by hair hormones concentrations. *Livestock Science* 272: 105235
6. Franchini M., Peric T., Frangini L., Prandi A., Comin A., Rota M., Filacorda S. 2023. You're stressing me out! Effect of interspecific competition from red deer on roe deer physiological stress response. *Journal of Zoology* 320: 63-74.

7. Fusi, J., Veronesi, M.C., Prandi, A., Meloni, T., Faustini, M., Peric, T. 2022. Hair and Claw Dehydroepiandrosterone Concentrations in Newborn Puppies Spontaneously Dead within 30 Days of Age. *Animals* 12: 3162.
